

2. HEALTH GUARANTEE

If in the professional opinion of a board certified veterinarian [e.g., Orthopedic Foundation for Animal's (OFA's) evaluation for hip and elbow dysplasia] and confirmed by Aus dem Traumblick's veterinarian, the puppy is diagnosed to have a hip or elbow dysplasia that would prohibit the puppy from fulfilling the intentions for which it was purchased, Buyer will receive a partial refund of the purchase price (Section 7). The refund will not to exceed half the purchase price.

Aus dem Traumblick's intent in refunding a portion of the purchase price is those funds are to be used for medical treatment, including: operations, physical therapy, medication, acupuncture, etc. Refunds will only be provided when receipts for such treatment are provided to Aus dem Traumblick so we can ensure that the monies are being used to better the quality of life of Aus dem Traumblick puppies.

3. AUS DEM TRAUMBlick'S REPRESENTATIONS

- a. The puppy is as identified in Section 1.
- b. As of the date of this Agreement, the puppy is in good health and free of communicable diseases.
- c. The puppy has not received any vaccinations prior to nine (9) weeks of age as Aus dem Traumblick follows the vaccination protocol developed by J. Dodd, DVM, which is also followed by all 27 Veterinarian Teaching Hospitals in North America. The first vaccination per Dr. Dodd's protocol occurs at nine (9) weeks of age. A copy of Dr' Dodd's protocol is included in the Puppy Package provided to Buyer.
- d. Aus dem Traumblick will provide Owner with an AKC Registration Application, for the puppy identified in Section 1.

4. BUYER'S REPRESENTATIONS

- a. Buyer is completely satisfied with and waives any and all claims regarding the puppy's conformation and outward appearance.
- b. Buyer acknowledges they have been informed that growth plates in German Shepherds do not close until after 14 months of age. The Buyer further acknowledges that they have been informed that radiograph films should be taken and reviewed by a Veterinarian to ensure growth plate closure has occurred prior to the dog performing any of the activities presented in Section 5.j.
- c. Buyer acknowledges they have been informed that some female dogs show additional subluxation of their joints when in season, pregnant or nursing. Buyer also acknowledges they have been informed that the OFA recommends radiographing females three (3) to four (4) weeks before or after the heat cycle, and three (3) to 4 (weeks) after weaning a litter of puppies.

- d. Buyer agrees to provide age appropriate exercise in order to maintain this puppy in proper weight and physical condition.
- e. Buyer agrees to maintain this puppy in good health, provide routine preventative health care including, but not limited to: inoculation, internal and external parasites and heartworm preventative medication.
